## DROUGHT RESTRICTIONS

---

### **Stage Four**

Critical use level at or below 630 or declaration by the Edwards Aquifer Authority

- Stage Four water restrictions only allow for watering with a handheld hose. Any day, any time.
- No metered water may be used to fill a new swimming pool or refill an existing pool.

### **Stage Five**

Critical use level at or below 625 or declaration by the Edwards Aquifer Authority

- Stage Five water restrictions prohibit residents from watering their lawns or any nonessential uses of water.
- You can use a 5-gallon bucket to water your garden.
